Shanmugasundaram C

Senior Scrum Master / Agile Master | Enterprise Agile Delivery

Chennai, India · LinkedIn: linkedin.com/in/shan-c · Email: shan.chinnathambi@accenture.com

PROFESSIONAL PROFILE

IT professional with 12+ years of experience and a focus on Agile delivery, Scrum facilitation, team collaboration, delivery transparency, and continuous improvement. Experienced in supporting cross-functional teams and using delivery practices and metrics to improve predictability and visibility.

CORE CAPABILITIES

Scrum facilitation · Sprint planning and retrospectives · SAFe practices and PI Planning · Cross-team coordination · Impediment management · Stakeholder communication · Jira delivery tracking · Metrics and reporting · Continuous improvement

SELECTED DELIVERY OUTCOMES

- Sprint predictability: reported improvement from 72% to 90%.
- Jira compliance: reported improvement from 60% to 95%.
- Reporting effort: reported reduction of 40%.

These metrics are based on user-provided information and should be validated for context and supporting evidence before formal use.

PROFESSIONAL EXPERIENCE

Accenture — Scrum Master Specialist (effective March 2026) | September 2021–Present

Agile delivery support, Scrum facilitation, delivery tracking, impediment management, stakeholder coordination, and continuous improvement.

HCL — IT delivery and Agile team experience | June 2014–September 2021

Enterprise IT delivery and cross-functional collaboration, including Agile team practices and delivery reporting using Jira, Excel, and Power BI.

CREDENTIALS & CONTINUOUS LEARNING

Selected learning and certification areas include SAFe Scrum Master, Microsoft AI and security certifications, cloud fundamentals, and AI-enabled delivery. Confirm current validity and official credential issuance before listing any certification as active.
